

## **Meopham and District Allotments Association**

Notice of

Extraordinary General Meeting

3 pm 28<sup>th</sup> June 2026

at

Meopham Village Hall, Wrotham Road, DA13 0AT

Your Committee has called this EGM so that members can be provided with a detailed account of actions taken on behalf of Meopham Parish Council to disrupt and control our allotment gardening community.

Parish Councillors have been invited so that members can share their concerns about intentions to remotely manage their allotment experience.

Your Committee will also report on its investigations into the breach of members' personal data and other disruptive activities by members of our community.

This EGM is an opportunity for members to be reliably informed of recent events and to understand their adverse impacts.

Members are invited to inform the Committee of their likely attendance using the Contact form on our home page. Please select 'EGM' from the recipients list.
